### LEVELS reference descriptions

**BEG Beginner.** This embraces all people having started to play shakuhachi within the last year or just starting up now.

**ELE Elementary** assumes that the player can obtain *kari* notes in *otsu* with reasonable security, is familiar with *kan* notes, even if still learning to produce them reliably, and has some basic idea of *meri* notes, even if intonation may be unstable.

**INT Intermediate** assumes that the player is secure with *kari* notes in *otsu* and *kan*, and is capable of producing *meri* notes reliably in both octaves, with reasonably reliable intonation. **General command of the provided scores is important.**

**ADV Advanced** assumes that the player has a high degree of proficiency and control in production of *meri* and *kari* tones in *otsu* and *kan*, and is familiar with *dai-kan* notes.
